"I haven't read a novel like yours in a long time! It's definitely well-written. There is plenty of suspense and intrigue. The most intriguing part is about the killer- The Man in the Moon. He's cold and calculating, but brings a sense of awe to the story. You bring something different to each chapter of the novel. I can't wait to purchase "Man in the Moon." Continue to write. It is a true talent of yours." **-Serene**
